Essential Printing & Assembly Reminders:

1. Open in Free Adobe Acrobat Reader on a computer (never print directly from web browsers or mobile).
2. Print Page 1 first at 100% / 'Actual Size' and verify the 4" x 4" (101.5 mm) calibration square with a ruler.
3. In the Multi-Size Layered PDF, click the Layers icon () on the left panel to display ONLY your size.
